

FINANCIAL INFORMATION

The generous support of the Arkansas Baptist State Convention and endowments and gifts from alumni and friends of the College enable Williams to maintain a tuition among the lowest to be found in any accredited private senior college in the nation. Students at Williams usually receive some form of institutional or public financial assistance. Such assistance is allocated regardless of students' religious affiliation.

BOOKSTORE

The bookstore is operated by Founder's Bookstore. The student should plan to pay for all books at the time of purchase. Book purchases may, in some special circumstances, be billed to the student's account. Major credit cards are accepted.

PAYMENT OF ACCOUNTS

All charges for tuition, fees, and room and board are due in full at the beginning of each semester. Students unable to pay the full balance at the time of registration must make satisfactory arrangements for payment with the Business Office. A deferred payment plan is available if necessary, with a down payment of \$1,500.00 or one-fourth of the total bill; whichever is larger, due and payable at registration. The balance will be divided into three equal payments, with the three installments due at approximately monthly intervals. Due dates will be October 10, November 10, and December 1, for the fall semester, and February 10, March 10, and April 10 for the spring semester. A finance charge at the rate of .833% per month will be levied on any unpaid balance.

Security deposits and family housing rent cannot be included in the deferred payment plan.

Any student who is delinquent in payments to the College is subject to dismissal. A student may take no final examinations in any semester unless the student's account is settled before examinations begin; nor may the student receive grades, obtain a transcript, or enroll for another

semester until all accounts are settled. Accounts can be paid by cashier's check, money order, or credit card (VISA, MasterCard or Discover). Personal checks will be accepted; however, should this form of payment be made, transcripts will be placed on hold for fifteen business days.

REFUNDS OR PAYMENT DUE

Withdrawal from College. A student who officially withdraws from the College will be notified at the time of withdrawal as to whether further payments are due the College or whether a refund is due the student. **The official withdrawal procedure begins in the Registrar's office.** The rate of refund will be as follows. Should the student fail to officially withdraw, all semester charges will become immediately due and payable.

Institutional Scholarship Assistance Policy Relating to Withdrawal from College. If a student withdraws from the College, regardless of the reason, then the student's institutional assistance will be prorated according to the same schedule used to refund tuition.

WITHDRAWAL DURING:	PAYMENT DUE	REFUND DUE
First Week	20%	80%
Second Week	30%	70%
Third Week	40%	60%
Fourth Week	60%	40%
Fifth Week	80%	20%
After Fifth Week	Pro rata refund of unused cafeteria services only.	

Federal Financial Assistance Policy Relating to Withdrawal from College. The following procedure will be used to determine the percentage of federal financial aid, which may be applied to the student's account, and the percentage which must be returned to the Federal Financial Aid (Title IV) Programs. The percentage of the Federal Financial Aid Package which may be applied to the student's account is as follows:

$$\begin{aligned} & \text{The total number of calendar days completed (date of withdrawal)} \\ & \div \text{The total number of calendar days in the semester} \\ & = \text{Total Percentage of Enrollment} \end{aligned}$$

The above percentage will be used to calculate the amount the student has earned in his or her Financial Aid package. Federal financial aid packages (such as Pell and loans) must be applied to the student's account prior to withdrawal before they can be included in the percentage earned. If the student withdrawal occurs after the 60 percent point, the student will have 100 percent of his or her federal financial aid package applied to his or her account.

If, after a student withdraws, they decide to come back to Williams, they must write a letter to the Financial Aid Committee explaining why they withdrew and why they want to come back and receive financial aid. Letters can be mailed to the Financial Aid Office, P. O. Box 3734, Walnut Ridge, AR 72476.

Tuition Refunds for Withdrawal from a Class. Withdrawal from a class during the first five weeks of a semester may result in a partial refund or reduction of tuition charges. The reduction or refund rate will be the same as stated above in the Withdrawal From College section. The official withdrawal procedure begins in the Registrar's Office.

Federal Financial Assistance Policy Relating to Withdrawal from a Class. Withdrawal from a class during the first five weeks of school may result in a reduction in a student's Financial Aid Package. Reducing the course load below 12 hours will result in a reduction of the Pell grant and loss of all institutional, state and other scholarships and grants.

Refund of Credit Balances. In the event a combination of grants, loans, and/or payments creates a credit balance to the student's account, the business office will refund the credit balance to the student by means of a check. The refund check will be placed in the student's campus mailbox or mailed to the student's residence.

Refund of Security Deposits. The security deposit is refundable only after the premises have been vacated, inspected, charges for any damage have been assessed, and all accounts have been cleared. Requests for the residence hall security deposit refund must be made to the Director of Housing. Requests for the family housing deposit refund must be made to the Office of Student Affairs.

SPECIAL ASSESSMENTS

The College reserves the right to make special assessments.

STUDENT FINANCIAL ASSISTANCE

A college education is one of the most important investments a person can make, but the cost of higher education is increasing, making it difficult for many students to attend. During the most recent year, 97 percent of the WBC student body received some form of financial aid. The following information is designed to show various avenues of financial assistance available at Williams.

Anyone receiving financial aid will receive an award letter that lists sources of aid, amounts, and conditions governing these awards. Scholarships, grants, and loans are normally applied to the student's account at the beginning of each semester, provided all the necessary documents are accurate and on file. (Awards from employment are only received after the student has worked the hours designated.) These documents would include, but are not limited to, the Free Application for Federal Student Aid (FAFSA), documentation of income (such as 1040 tax return, Social Security letter, non-taxable income form, Veteran's Administration award letter), and Selective Service Draft Registration Acknowledgment. Fulfillment of specified citizenship requirements and demonstrated financial need are also requirements for the federal financial aid programs.

DETERMINATION OF NEED

Williams uses the Free Application for Federal Student Aid (FAFSA) to determine the financial need of each student. This statement must be submitted to the Financial Aid Office to assess properly a student's need and provide adequate financial assistance. The statement becomes part of the student's financial aid file. The FAFSA form may be filled out on-line at <http://www.fafsa.ed.gov>. Paper applications are also available at most high schools or by contacting the Financial Aid Office at Williams.

The following regulations govern the awarding of aid:

1. The student must meet all admission requirements to attend Williams.
2. The student must be attending Williams on at least a half-time basis. (Certain aid requires full time enrollment.)
3. The student must observe all College regulations governing social and academic life.
4. Financial assistance is renewable each semester provided the appropriate requirements are met.
5. Williams reserves the right to cancel any aid if the student does not show satisfactory academic progress or does not fulfill obligations to the College as specified as a condition of the aid.
6. Williams reserves the right to adjust any financial aid awards depending on the availability of federal, state, institutional, and/or restricted funds. Adjustments may also be necessary to prevent over-awards.
7. All institutional and private scholarships may be revoked if the student does not satisfactorily discharge their financial obligations to the College.
8. All applications should be filed in the Financial Aid Office by the time of registration each semester.
9. A student cannot be in default on a Perkins Student Loan (formerly National Direct Student Loan) or Stafford Student Loan or owe a refund on a Pell Grant or Supplemental Educational Opportunity Grant and receive financial aid.

Williams has set a priority date of May 1 for awarding financial aid for the fall semester.

STANDARD OF SATISFACTORY ACADEMIC PROGRESS TO MAINTAIN FINANCIAL ELIGIBILITY

The Federal Higher Education Amendments of 1976 require the College to define and enforce standards for Satisfactory Academic Progress. Students receiving financial aid from federal, state, private, and institutional sources must conform to the College's definition of satisfactory progress. The guidelines are established to encourage the student to successfully complete courses for which aid is received. To receive financial assistance, a student must be enrolled as a regular student in an eligible program. A regular student is defined as one who enrolls in 6 or more hours in an eligible program for the purpose of obtaining a degree, certificate, or credits in a transfer program. Students must complete requirements within a reasonable length of time and maintain a minimum cumulative grade point average.

Eligibility for Financial Aid is generally limited to one and one-half times the published time frame to complete the academic program. Example: Students enrolled in a four-year degree program will be allowed to receive Financial Aid up to 6 years. Students attending less than full time will have required credits earned prorated and their length of eligibility extended respectively.

Students enrolled full-time must maintain and successfully complete each academic year with the following respective credit hours earned and cumulative grade point average.

First Year	18	1.25 CGPA
Second Year	39	1.65 CGPA
Third Year	60	2.00 CGPA
Fourth Year	81	2.00 CGPA

Fifth Year	105	2.00 CGPA
Sixth Year	129	2.00 CGPA

Successful completion is defined as earning A, B, C, or D on course work. I or W received on course work will be used in determining hours attempted for the semester.

With the exception of institutional scholarships, satisfactory academic progress will be reviewed once a year, at the end of the spring term. Scholarship requirements are reviewed each semester according to the renewal guidelines of the respective scholarships. Progress of students not maintaining the minimum academic levels, as described above, will be evaluated by the Financial Aid Director. Based upon merit, academic performance and mitigating circumstances, the student will either be placed on financial aid probation for the following semester or be placed on financial aid suspension. A student placed on financial aid probation will be evaluated at the end of the following semester. If the student fails to meet the academic progress policy requirement after the semester of financial aid probation, the student will no longer be making satisfactory academic progress and will not be eligible to receive federal, state, or institutional aid.

If the student does not make satisfactory academic progress and is suspended from receiving Financial Aid, the student may reapply for financial aid after having made sufficient academic progress to satisfy the terms of the stated policy. A student may be paid for the payment period in which he or she regains satisfactory progress, but not for any payment periods in which the student did not meet the standards.

The summer term may be used to make up hours dropped during the fall or spring terms and will be included as part of the prior academic year. Students making up hours will not be eligible for Financial Aid during this period.

Students placed on Financial Aid suspension may appeal the suspension if they feel that mitigating circumstances prevented them from making satisfactory progress. This appeal must be made in writing and must include the reason(s) minimum academic requirements were not met and the reason(s) why financial aid should not be terminated. After review of the appeal by the Financial Aid Committee, the student will be advised of the decision.

SCHOLARSHIPS

There are two types of scholarships, private and institutional.

INSTITUTIONAL/PRIVATE SCHOLARSHIP GUIDELINES

Funds for these scholarships are provided by the institution, churches, individuals, and/or other concerned groups. Guidelines for these scholarships are described below:

Students who enter into their second disciplinary offense in one semester forfeit institutional and/or private scholarships immediately and become ineligible for institutional/private scholarships for the following semester. Future eligibility will be determined on an individual basis by the Financial Aid Committee.

3. In the event of withdrawal, dismissal, or a reduction in course load to less than 12 semester hours that student forfeits institutional and/or private scholarship for the current semester. In certain situations, scholarship benefits may be prorated.
4. If a student withdraws voluntarily from an activity for which he/she is receiving scholarship assistance, or if the student is dismissed for disciplinary reasons, then his/her scholarship assistance will be discounted on a prorated basis.
5. The amount of the institutional/private scholarship and other financial aid awards (such as Pell Grant, SEOG, etc.) may not exceed the student's direct college cost which includes tuition, fees, room, board, and books charged to the student's account.

LOANS

Federal Direct: These programs allow students to borrow money from the federal government's Stafford Loan Program to pay for educational expenses. Williams will apply the loan to a student's account to pay for school charges. After all charges have been cleared, Williams will disburse the money to the student for personal educational expenses. Students must fill out a Free Application for Federal Student Aid (FAFSA) to determine eligibility for a student loan.

Federal Direct Loans are determined by the number of hours a student has earned in college. If a student changes loan level in the spring semester, they need to bring an official transcript to the Financial Aid Office to request the next loan level. A dependent student can take out a maximum of \$31,000 (no more than \$23,000 in a subsidized loan) for a Bachelor's degree. An independent student can take out a maximum of \$57,500 (no more than \$23,000 in a subsidized loan) for a Bachelor's degree.

The loan calculator is located at <http://www.ed.gov/DirectLoan/RepayCalc/dlentry1.html>.

Semester Loan Limits for Subsidized and Unsubsidized Loans

Hours Earned	Dependent/Independent	Dependent/Independent Unsubsidized Loan	Independent Unsubsidized Loan
0 - 29	\$ 1,750.00	\$ 1,000.00	\$ 2,000.00

There are three types of Federal Direct Loans.

Federal Direct Subsidized Loans: These loans are for students that demonstrate a financial need. The interest is deferred while the student is enrolled at least half time in college.

Federal Direct Unsubsidized Loans: These loans are available regardless of the families income and need. Students are charged interest on the loan during in-school and deferment periods. This loan, plus the Subsidized Direct Loans, in combination, may not exceed the limitations, nor can the cost of education be exceeded.

Federal Direct PLUS Loans (Parent Loans to Undergraduate Students): Parents of undergraduate students may borrow up to the cost of education minus other aid. The interest is variable, not to exceed 9% and repayment begins 60 days after the loan is made. The amount of the loan payment is determined by the amount borrowed with \$50 monthly being the minimum.

EMPLOYMENT

Federal Work-Study: College work-study is a federal program that allows a student to earn money to help pay educational expenses. College work-study is based on the student's need, the amount of money the College has for the program, and the amount of aid that the student receives from other programs. The student earns minimum wage and is paid monthly. Eligibility is determined by the Free Application for Federal Student Aid (FAFSA).

Institutional Work-Scholarship is a Williams' funded work-study position that is used to provide for students that do not qualify for the federal work-study program. It is also used to provide work-study for offices and positions that have a religious emphasis.
