Walnut Ridge Public School is working in partnership with Williams Baptist College on a reading project. This project will pair a WBC student training to be a teacher with an elementary student for the purpose of completing reading activities. The WBC student will observe in the classroom and then work with one child to complete comprehension and vocabulary activities. The purpose of the project is to help the WBC student learn more about the reading process.

Your child’s teacher has selected him/her to participate in this project. The Williams Baptist student will work with the classroom teacher to find a time that will be best for the activities to occur during the school day. The WBC student will also be viewing and communicating with the child’s teacher about standardized and classroom assessments to best meet the needs of the child. ***

Please indicate below if you are interested in your child receiving individualized reading instruction from a WBC student during this semester.

If you have further questions, please contact your child’s teacher.

___________ I give permission for my child to participate in this project.
